

July Holiday Club
from June 29 to July 24
Discovering Mother Nature !

*Ma Petite École
Montessori*

A week to explore, create and dream!

At Ma Petite École Montessori, we offer a holiday club specially designed to welcome your children throughout the month of July, with a different themed programme each week.

Programme for ages 2-12:

All children take part together in the weekly themed programme through a variety of activities such as reading, painting, arts and crafts, cooking, and games. Our little explorers also enjoy a daily trip to Georges Brassens Park. Activities are adapted by our team for each age group so that every child can explore and grow at their own pace.

Additional programme for ages 6-12:

In addition to the main programme, our older children benefit each week from more in-depth workshops and dedicated outings to explore the weekly theme further (cultural visits, scientific experiments, advanced creative workshops). The programme will be announced at the beginning of each week.

Open Enrolment

Summer Holiday Club – July 2026
